

# National Health Belonging & Leadership CONSORTIUM™

Advancing Leadership. Strengthening Health. Creating Impact.

## Launch Board Overview Roles & Responsibilities of Board Members

Board members provide strategic leadership and governance to ensure the success and integrity of the **National Health Belonging & Leadership Consortium**. Members serve in an advisory and decision-making capacity to guide the Consortium's **growth, initiatives; and impact**.

### Governance & Decision-Making

Meet **quarterly** to review and vote on organizational matters and policy.

### Strategic Planning & Development

Guide long-term plans to advance the Consortium's mission and growth.

### Impact Measurement

Evaluate performance and ensure **accountability** for results.

### Community & Industry Engagement

Strengthen partnerships and support professional **engagement**.

### Board Governance

Oversee policies, financial stewardship, and organizational **compliance**.

### Agenda & Materials Review

Prepare for meetings to ensure informed discussions.

### Recruitment & Board Composition

Advise on identifying and appointing **qualified leaders**.

### Committee Participation

Serve on committees or **task forces as needed**.

### Our Mission

To advance **equitable leadership** and drive **impactful change** in health and healthcare.
